

Art is where love meets work

KAT'S COMING TO JACKSON'S POINT FOR THE PAINTED PERCH FESTIVAL, AUGUST 11!

I will be at the festival selling something FANTASTIC and completely original but you will have to come to find out what! I guarantee you will smile :)

My friends will have unique art, beautiful jewellery and organic soap to sell also, so stop by and say hi!

What's new...

I have semi retired but am still busy with art and framing. I am proud to represent the work of Darlene J. Winfield (shown here) and I return to Georgina every 2 or 3 weeks so I can still be your framer! Everyone that has used my service has been delighted with the easy free pick up and delivery.
